As night falls, the city of Seoul turns into a vast „theater“. Neons, electric sign boards, cars, all sorts of city lights... Those artificial lights reflect themselves on cold walls, vague and diverse image are formed.

No digitalized technical effect was used and the director only use the collection of image cuts.

City planners decide to pull down parts of Shanghai's old town in order to regenerate the city. Every year, more than 100 000 families are forced to leave their home and move into buildings on the edge of the city. „Under Construction“ is a two- and three- dimensional flight across the now destroyed living areas in Shanghai...
